Emergency Road Help

I am reminded of the Good Samaritan in Luke 10. The Samaritan was the only one

that was willing to help the man that had fallen to the thieves in his travels. This is just what I think of when I think of GSBM. I am thankful that GSBM was there to help when our travel trailer broke down between Morris, Illinois and Hastings, Nebraska. I want to say thank you to all who had a part with GSBM in helping repair our trailer.

Evangelist Gary Fox

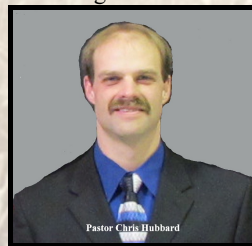

searching for the correct gear box and diesel bus mechanic, we were on our way. A few days later Brother Easter contacted us and informed me that he had been in contact with a couple of churches who were willing to help with our out-of-pocket expenses. WHAT-A-BLESSING! We pray for you all and will never forget your kindness.

Evangelist Cedrick McCormick

Pastors Training School

We are anticipating the next Pastors Training School which will be hosted in Spencer, Ohio by the First Baptist Church, assisted by Victory Baptist Church in Lodi, Ohio.

This is a school with no "big I's" or "little you's"—only a concern to help men of God develop their lives and ministries as Ephesians 4:11-13 declares: "And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers; For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ: Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ." Some of the pastors who have attended gave the following testimonies:

"Since I have never been to seminary this school is a tremendous resource in helping me

understand and learn the intricacies of church ministry. It

further helps me [to learn] at the feet of years of experience and wisdom that I may prevent some heartaches these men have gone through. Very, very beneficial and highly recommended whether one is new to the ministry or a veteran. Both will be helped and our Lord Jesus will be glorified."

Chris Hubbard, Pastor
Union Hall Baptist Church

"I cannot express with words what this school means to me. The topics &

breakout sessions were a tremendous blessing to me. I came with some areas that I needed help with and did not know the answer to them, and through the course of the week my problems, that were concerns, were addressed. I feel at peace now that I can go back to my church and take care of them properly now. Thank you!!! I look forward to next year."

Jerry Power, Jr., Pastor
Friendship Baptist Church

Pastor's College so there was a natural tendency to compare before hand. There is no comparison between the two. The practical teaching and applications were exactly what I needed to recharge and refocus the ministry God gave me. The instructors were tremendous. Thank you for the privilege of attending."

Pastor Preston Parker
Victory Independent Baptist Church

"In an age of much confusion concerning the truth of God's Word, the

worth of His church and the people of God, I have been both encouraged and educated in this school by men motivated only by the love of the truth and the cause of both the church and the people of God."

Jeff Benedict, Pastor
Metropolitan Baptist Church

Thanks to Good Shepherd Baptist Missions and Oakside Baptist Church, LaGrange,

Georgia - we are back on the road! Our family was in Tennessee traveling south on I-75 headed to a revival when we heard a loud noise from the engine compartment. Within seconds the temperature gauge began to rise. We immediately exited the interstate and pulled in to a gas station. My first thought was the pink card I had carried in my wallet for over 2 years. I called Brother Easter and he put me in contact with a local church who offered to find me a mechanic. After two days of

to have one mailed to you.

from the Director

We thank the Lord for His presence with us in the past few months as we traveled in meetings in Texas and Alabama. Churches have been encouraged to establish Faith Promise Giving as a priority. Substantial amounts have been committed to missions for the upcoming year. We rejoice in decisions made to walk closer to our Lord and for souls saved. On a personal note, we are thankful for our son and his family being transferred to a base about an hour from our home. We ask your prayers for the upcoming meetings God has scheduled for us and always for the fulness of the Holy Spirit, for without Him there is no ministry. **The next Missionary Training School is scheduled for April 1-6, 2012.**
