Dear Friends of Good Shepherd Baptist Missions,

We are nearing the end of uploading the first phase of the **Pastors Track for the Online School for Ministry Leaders** to the Website. All of the Audios, Class Notes, PEIDs, and Study Guides are completed for each class. Brother Thomas Russell is working to convert the remaining classes to Captivate and by the time you get this letter Bea will have posted thirteen of the eighteen classes on the Website. I envision men all around the world having their ministries enhanced and becoming much more effective for our Lord Jesus Christ. I believe there will be MANY souls saved worldwide as a result of the school, and some taking these classes will be saved.

Please keep praying for us to have the leadership from our Lord as many more decisions have to be made in the upcoming weeks concerning the Online school.

Riverview Baptist Church in Southside, Alabama, under the leadership of Pastor Matt Morrison, is hosting a **GSBM Onsite Pastors Training School February 17th through the 20th**. The class is already a good size but there is room for more men to attend. Please go the www.gsbministries.org to register. There is no way to express the value of this training. Riverview provides a motel room in an upscale motel that is shared by two men, and the church family provides all the delicious meals except the daily full blown breakfast that is provided by the motel. The manual that goes with the school is over 200 pages of full color and some pastors have taken the material and taught it to their churches for a year.

Lori Kennedy from Smith Chapel Baptist Church in Colt, AR where J.T. Baskins is the pastor is converting all the Onsite classes to Power Point and doing a great job. She needs another person to help so that all eighteen classes can be converted to Power Point before the upcoming PTS. If you can help with this, please let me know.

First Baptist Church of Spencer, Ohio, under the leadership of Pastor Jeff Mullet will be hosting the annual **GSBM Onsite Missionary Training School April 13th through the 18th**. Several missionary families have already registered and we welcome more to complete registration forms also located on the Website above. Victory Baptist Church of Lodi, Ohio, under the leadership of Pastor Joe Williams assists First Baptist with this large undertaking. Missionary Training School is for the entire missionary family as there is a wonderful children's program that runs parallel in time with the adult training.

Evangelist Gary Fox continues to do a good job with the **Emergency Roadside Assistance**. Brother Gary and his wife Janet's very young daughter-in-law died a few weeks ago with the breast cancer she contracted. Her husband and four young children will see wife and mother on the other side.

Pastor Roger Hain continues to do a good job with the **Emergency Housing Assistance**. Brother Hain recently retired from Grace Bible Independent Baptist Church after almost 40 years as their pastor. Earlier this month, Brother Hain's wife Pat fell in their new Olean, NY home and broke the femur bone close to the knee of her left leg. S.T. Janney, also a GSBM team member, has a similar medical situation. His wife fell a few weeks ago and broke her leg just below the hip. Pastor Gordon LeGrow is battling several major medical issues.

God continues to lead GSBM with new ministries that enhance the lives and ministries of pastors, evangelist, and missionaries. To be more spiritually effective in the ministry is to bring more people into the Kingdom of God and to spiritually enhance the lives of the saints. To say that I am thankful to be a part of such a wonderful ministry is an understatement. I stand amazed at what our Lord continues to do with the ministries of Good Shepherd Baptist Missions and with my personal ministry. It is impossible to count the souls that have been and continue to be saved as the result of GSBM Ministries. Thank you for your love for Jesus and for your personal sacrifices and for your prayers.

Sincerely,

Brother Easter
